WHY US ?

MANUFACTURER IDENTITY INFRASTRUCTURE

MAKFRY GROUP produces the necessary machines and food products for our franchise brand CTR Chicken in-house. Thanks to our manufacturer identity infrastructure, we offer the advantages of having a stronger supply system compared to other franchise systems, as we are not dependent on external sources.

MODERN DESIGN

In our CTR Chicken restaurants, we have created fun, comfortable, and cozy atmospheres that differ from traditional fast food concepts. This unique design is a consumer preference and gives our investors the advantage of having profitable businesses.

DIFFERENT DELICIOUS ECONOMICAL MENUS

Our manufacturing company continuously works on competitive and innovative products through its R&D department, developing different, delicious, and economical products. Additionally, thanks to our R&D efforts, we support our investors by enabling them to offer different products on their menus based on the socio-cultural structure of the region where our restaurants are located.

CONTINUOUS SUPPORT EDUCATION

Our experienced and expert team within our organization under the CTR Chicken franchise system continuously provides support and education to our restaurants. Additionally, we organize inspections to maintain standards and ensure that our restaurants operate in a more systematic manner.

RAPIDLY GROWING BRAND STRONG ORGANIZATION

CTR Chicken is rapidly growing towards becoming a global brand with its franchise system. We offer our investors the opportunity to join our successful journey and win together by being a part of our franchise system.

MANUFACTURER IDENTITY

Since 2010, MAKFRY GROUP has been producing all the necessary machines, equipment, food, and packaging products for our restaurants through its established and continuously developing R&D and manufacturing infrastructure.

OUR FIRST RESTAURANT

We continue our story that began with CTR Chicken in Europe, with new branches in different parts of the world through our established franchise system.

LEADING THE INDUSTRY

Fast Food Delight in Fun and Unique Environments

At CTR Chicken restaurants, we have created fun, cozy, and unique environments that set us apart from traditional fast food concepts. Our innovative designs have become a customer favorite and have provided our investors with the advantage of owning profitable businesses.

**DIFFERENT
and DELICIOUS**

We bring together our products, which are blended with marinade mixes, coating products, dipping sauces, and unique spice blends, with CTR Chicken lovers in our restaurants.
